

2009 CMA Music Festival!

Motorsports artist Sam Bass and the Country Music Association have teamed up for the 2009 CMA Music Festival in Nashville, Tenn. Bass, in honor of the annual music festival designed a black custom Epiphone acoustic guitar featuring a tribute to the artists - old and new – who have given Nashville and country music the distinctive sound that has captured the American spirit!

Bass has produced a limited edition print, which he will hand-sign and number as well as a fine art poster to complement the instrument, which are both available for purchase from www.cmafest.com/sambass or www.sambass.com.

A portion of the proceeds will be given to CMA's "Keep the Music Playing" program which has contributed more than \$2 Million to fund music education through a partnership with The Nashville Alliance for Public Education.

"We are honored to have an artist as renowned as Sam Bass contribute his talents to CMA Music Fest," said Ben Bennett, Online Promotion & Mobile Marketing Manager for the Country Music Association. "Fans can own an exclusive piece of Sam Bass art created especially for Music Fest! Fans can text CMASAM to 66937 and they will receive a text message explaining how to get their own Sam Bass-designed commemorative poster and lithograph from CMA Music Festival."

Bass will participate in a series of autograph sessions during the CMA Music Festival. Visit www.sambass.com for a listing of his appearances.
